

# Making Canada stronger

It's our privilege to help keep Canada moving during COVID-19

## Job creation

- We are creating more than 1,000 quality jobs - and we're hiring right now!

## Personal protective equipment (PPE) and healthcare

- Delivered 50 million pieces of PPE (gloves, masks, gowns) to hospitals across Canada
- Teamed up with Conquer COVID-19 to deliver over a million surgical masks, bottles of hand sanitizer, and face shields to community care facilities across the country

## Keeping our employees and customers safe and healthy

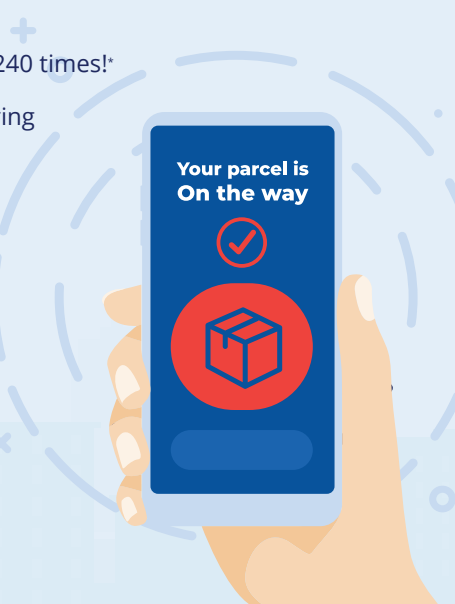

Put physical-distancing services in place to help keep communities safe

- Contactless deliveries
- Curbside pickup at Purolator Shipping Centres
- Reinvented our Mobile Quick Stop (MQS) trucks for apartment and condo residents to pick up shipments outside buildings

## Delivering across Canada

- Our couriers travelled the equivalent of driving across Canada more than 240 times!\*
- Our couriers processed close to 1 million pieces per day pieces per day during the busiest days throughout COVID-19
- During the busiest pandemic week, customer demand grew to 3 million shipments\*\*
- Saw an increase of direct-to-home deliveries of almost 30% from before the COVID-19 period

## Helping Canadians in need

- Reinvigorated our Purolator Tackle Hunger® program with COVID-19 donation website to help strengthen the food supply for those in need in Canada
- Pledged to match up to \$50,000 in donations raised during Purolator Tackle Hunger Month (June)
- Raised \$50,880 donations during Purolator Tackle Hunger Month\*\*\*

\* Mid-March to May, 2020

\*\* March 15 to May 9, 2020

\*\*\* Total donation amount from June 1 to 24, 2020
